

RECOMMENDS A SIMPLE RECIPE

NOTED AUTHORITY GIVES SIMPLE REMEDY FOR KIDNEY AND BLADDER TROUBLE WHICH IS SAID TO BE SPLENDID.

This is a simple home recipe now being made known in all the larger cities through the newspapers. It is intended to check the many cases of rheumatism, kidney and bladder trouble which have made so many cripples and invalids and weaklings of some of our brightest and strongest people.

The druggists here have been notified to supply themselves with the ingredients, and the sufferer will have no trouble to obtain them. The prescription is as follows: Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce, and Compound Syrup of Sarsaparilla, three ounces. Mix by shaking well in a bottle. The dose is one teaspoonful after each meal and at bedtime.

Recent experiments prove this simple mixture effective in Rheumatism, because of its positive action upon the eliminative tissues of the kidneys. It compels these most vital organs to filter from the blood and system the waste impurities and uric acid which are the cause of rheumatism. It cleanses the kidneys, strengthens them and removes quickly such symptoms as backache, blood disorders, bladder weakness, frequent urination, painful scalding and discolored urine. It acts as a powerful stimulant to the entire kidney and bladder structure.

Those who suffer and are accustomed to purchase a bottle of medicine should not let a little inconvenience interfere with making this up.

A Curious Spanish Custom. Ellen Maury Hayden in the Century in an account of her own and her husband's lavish entertainment in a Spanish household says: "No custom of the house was so unaccountable as that of having people come to see you eat. Enjoying a square meal while our guests inhaled cigarette smoke seemed so inhospitable that I sometimes playfully insisted upon their having something with us. It was always laughingly declined, except once when a particularly lively youth took a piece of ham and ate it with all sorts of self-conscious little antics, as if he were acting a pantomime."

Shortening of the Day. It has long been known theoretically that the tides act as a brake on the rotating earth and tend to lengthen the day. The effect, however, is so slight that it cannot be measured in any length of time at man's disposal. It may be estimated with the aid of certain assumptions, and, using the data available, W. D. MacMillan made the necessary computation by the formulas used by engineers. He finds for the increase of the length of the day one second in 460,000 years.

Waiting. "Where are you lunching now?" "Over here at one of these places where you wait on yourself. Where are you sitting?" "Oh, I'm still over there where you wait on the waiter."—St. Louis Post-Dispatch.

A Good Guess. Aubrey—I say, old chap, I suppose you can't lend me a fiver? Plantagenet—No, my dear boy, but a man with your capacity for guessing the right thing ought to be able to win a fortune on the turf.—London Telegraph.

Expert Criticism. "I don't like that judge," said the smooth croak; "his speech is so jerky." "I would say," remarked the Boston burglar, "that, though they are unorthodox, I rather like his short sentences."—Baltimore American.

THROW OUT THE LINE Give Them Help and Many Astoria People Will be Happier.

"Throw out the life line"—The kidneys need help. They're overworked—can't get the poison filtered out of the blood. They're getting worse every minute.

Will you help them? Doan's Kidney Pills have brought thousands of kidney sufferers back from the verge of despair. Will cure any form of kidney trouble.

George K. Parish, 3724 E. Oak St., Portland, Ore., says: "Not a symptom of kidney trouble has ever returned since I used Doan's Kidney Pills some years ago and I am pleased to confirm the statement I gave in their favor at that time. Prior to using them, I suffered a great deal from dull, heavy pains in my back and kidneys, this trouble having resulted from a severe cold. I was gradually growing worse when Doan's Kidney Pills were brought to my attention and being impressed with the good reports concerning them, I procured a supply. As stated above they completely disposed of my trouble."

Plenty more proof like this from Astoria people. Call at Chas. Rogers' drug store and ask what customers report.
